REVENUE DEPARTMENT BANGALORE

Sir

Re Appointment of a Revenue Inspector for six months
to facilitate the acquisition works

In enclosing herewith a copy of the Trust Board Resolution No 456 dated the 21st May 1948 re the above, I have the honour to state that several survey lands are to be acquired for forming new layouts. The survey and the area actually required, and other formalities such as drawing up of mahazar etc, valuation of the lands etc, have first to be attended to by the Revenue authorities. According to the present procedure, the Revenue Inspector of the Taluk is being entrusted with these responsibilities and consequently the acquisition cases cannot be done expeditiously. There are nearly a dozen important schemes which require sanction of Government. Therefore sanctioning the appointment of a whole time experienced 1st Grade Revenue Inspector and one literary attender for a period of six months at present, purely for the Trust Board Office to facilitate the speedy disposal of the acquisition of survey numbers is proposed and approved by the Board. This may kindly be sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Department.

The Chairman,
City Improvement Trust Board,
Mysore.

With reference to your letter No.B4.C.98-256/47 dated 12th June 1948 regarding the appointment of one Revenue Inspector and one literate peon in connection with the acquisition of properties by the Trust Board, I am directed to request you to furnish information as regards the number of acquisition cases pending and the work to be carried out in this respect. It may also be kindly stated whether it is not desirable to employ one whole-time Revenue Inspector purely for acquisition work only for a prescribed period, if the work is really heavy and urgent, as the Revenue Inspector attached to the Basaba Hobli cannot be expected to attend to this, in addition to his legitimate duties.

In the event of the appointment of a Special Revenue Inspector as above, Government consider that it is desirable that he should work entirely under the control of the Revenue authorities while the cost of his appointment should be borne by the Trust Board.

If the Trust Board agree with the above views, a clear resolution of the Board may also be obtained and sent to Government early.

I have the honour to be,
Sir,
Your most obedient servant,

Secretary to Government,
Revenue Department.

Sir

Reference - Appointment of a Revenue Inspector &
one literary peon to the Trust Board
Office, to facilitate the acquisition
of Survey Numbers

With reference to your letter No L 372 dated 12th July '48
requesting to intimate the number of acquisition cases pending and the
work to be carried out in this respect, etc , I have the honour to state
as follows:-

1 A statement showing the number of acquisition cases
pending and the work to be carried out in this respect is herewith en-
closed for kind information

2 The Board have approved the appointment of one whole-
time Revenue Inspector and one literary peon for a period of six months,
to speedily complete the acquisition of survey numbers, pending with the
Revenue Sub Division Officer

3 The work is really heavy and urgent The Revenue Ins-
pector attached to the Kasaba Hobli cannot attend to this work in addi-
tion to his legitimate work

4 In the opinion of the Trust Board and also in the opinion
of the Amildar, who was formally consulted in the matter, the Revenue
Department has no objection to the Special Revenue Inspector working as
Liaison Officer under the supervision of the Trust Board to carry on this
acquisition work quickly and expeditiously

5 In the above circumstances, no further resolution of the
Board is necessary

I have the honour to be,
Sir,
